May Wrap Up

Tea With Mommy was such a special day! All of our kiddos loved sharing time with Mommy while enjoying tea and treats. We even made our mommies a pretty hat to wear.

VPK Graduation was amazing! Our VPKers did an outstanding job! We loved hearing them sing, perform, and receive their diplomas! We want to thank all of our teachers for volunteering their time to ensure a perfect graduation!

Our Teacher Appreciation Week was such a treat! We want to once again thank all of our thoughtful parents who lovingly provided us with a week that we won't soon forget.
