

PINEAPPLE PRESS

North Shore Edition

Fantastic February

We had a very busy and exciting February here at The Cove. All the children made special Valentines for our Pineapple Post Office. They learned how to mail their envelopes and all about how the U.S. Postal Service works.

The kiddos had a blast at the Valentine's dance boogying down with their friends, parents, and teachers! They also enjoyed dressing up, eating yummy cookies and drinking fruit punch!

Our Gecko Kids, Lil' Kahunas and VPK had a special visit from Dental Hygienist Vickie. She came and taught all of us about good oral hygiene! We finished the month off celebrating Dr. Seuss with a fun wacky week.

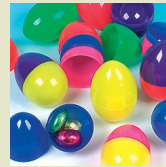

Big Truck Day

Thank you to the city of West Melbourne for sharing your big trucks with us!
